The Clough - a woodland since 8,000 BC, a Municipal Park since 1894, a Local Nature Reserve since 2008.

Every Saturday 10am outside the Lakeside Café

Everyone is welcome to join us

Walks are led by the Trust's nature conservationists who, on pre-arranged weekdays, carry out remedial tasks helping to restore the Clough's biodiversity health.

More volunteers are needed to progress this ecological regeneration project; also more sponsors are needed to finance our voluntary work.
