All photos above were taken at Boggart Hole Clough Lakeside between 2008 & 2020.

Boggart Weekly Waterbirds Survey every Saturday starting 10am outside the Lakeside Café.

Manchester City Council covid rules, e.g. re physical distancing, are observed.

Since FoBHC's survey began in 2004, we've identified 19 waterbird species. Survey results can be seen on our website - www.boggart.org.uk
