All photos above taken in the Clough between 2011 & 2021.

Thanks to photographers Paul McCrystal, Steven Hamilton & identifier Azlee Babar.

Foraging is discouraged as ecologists report the woodland to be in an *unfavourable condition* (conservation is required to restore biodiversity health), but it can still be harmlessly, enjoyably explored. **Caution:** most fungi are poisonous.

Occasional specialist walks led by experts including e.g. *Bat Walks & Fungi Walks* on / at various days / times. Also, *Free Natural History Walks* every Saturday starting 10am outside the Lakeside Café with walk around the Lake carrying out our *Weekly Waterbirds Survey* begun 2004.

Manchester City Council covid rules, when in force, e.g. re physical distancing, are observed. Everyone can join Friends of Boggart Hole Clough (FoBHC) activities, as our Equal Opportunities Policy affirms. Joining is free. All ages welcome. Under 16s must be accompanied by parent or guardian.
